If mypetstop are unable to reach anyone, I want mypetstop to follow veterinary advice and treat my pet as necessary. I accept I will be liable for the cost of all veterinary treatment and understand that all anaesthetic, sedation and surgical procedures involve some risk to my pet. Yes No

I understand that should mypetstop feel the welfare of my pet is directly at risk, mypetstop are obliged to act under the guidance of a veterinary surgeon, and will give permission for basic medical treatment. I accept I will be liable for the cost of veterinary treatment. I understand that by not giving permission, mypetstop will be unable to authorise potentially life saving treatment.

If your pet needs to see a vet should we use Vets4Pets Washington or your regular vet? Trips to either vet will incur a transport charge Vets4Pets Your

If we are to use your vet please provide details:

Hygiene

mypetstop take cleanliness very seriously and use animal specific disinfectant to keep our kennels spotless. However, in a boarding facility a pets natural odour becomes more noticable and they get a little dirty when they play. To ensure your dog is returned to you smelling fresh, would you like your dog to receive a discounted bath at the end of their stay? Yes No N/A

If yes does your pet have any allergies to shampoo/perfume spray etc.. _____

Travelling abroad? Please advise us of the country _____

I have read and agree to the terms and conditions, I am happy with the accuracy of information recorded above on the feed, medic and health check sheets during this check in.
